52 EIGHTH GRADE PUPILS TAKE QUIZ

POLK TOWNSHIP PRESENTS MANY FOR GRADUATION.

NEARLY ALL SCHOOLS SEND A DELEGATION

Two of Another Township Take Examinations Here Today—Many Free Scholarships Offered.

Fifty-eight grade pupils of Polk township rural schools and two of another township had enrolled at noon today for the annual examination for graduation being held today and tomorrow in the Maryville Business college rooms. The examination is in charge of Miss Ruby Ruddell, Miss Mary Watson and Miss Mary Halasey, teachers of the township.

The subjects on which quizzes are being given to the pupils today are grammar, spelling, arithmetic, civil government and U. S. History. Tomorrow questions on geography, reading, literature, physiology and agriculture will be given the students.

Some of those taking examinations have already passed in one or more studies and are now wishing to complete passing grades in ten studies, while others intend to take part of the work this time and finish next term. Several more students are expected to enroll tomorrow.

Offer Free Scholarships.

The papers will be graded by County School Superintendent Bert Cooper and an assistant. Pupils are required to make an average grade of 80 per cent and not less than 60 per cent in any study to graduate. Five free scholarships to any high school of Nodaway county, the Maryville Business college, the Conservatory of Music here, and an agricultural correspondence course in the International Correspondence schools are offered to those making the higher grades.

The annual examination for eighth grade pupils also are being held the last two days of this week in all other townships of Nodaway county. Several other high schools of the county are also offering high school scholarships for several townships adjoining.

Several Polk township pupils are taking examinations today and tomorrow in adjoining townships, because of their being closer to those points in some instances.

These Are Taking Quizzes.

Those taking the examinations today here and the school they attend are:

Olwell—Ralph E. Sherlock, Catherine M. Sherlock, Joseph F. Sherlock.

"DON'TS" FOR ANTI-FLY FIGHT.

The following "don'ts" have been issued by the St. Louis Kill the Fly association to householders:

Don't tolerate flies.

Don't allow them in your house.

Don't allow them on your premises.

Don't allow garbage or rubbish to accumulate on your lot or near it.

Don't allow dirt in your house. Look in the corners, behind the doors and furniture, under stairs and beds. Remove the cuspidors. In brief, keep the house clean.

Don't allow flies near food, especially milk.

Don't buy foodstuffs where flies are allowed.

Don't buy milk where flies are on the cans or bottles.

Don't eat where flies are found.

Don't forget screens.

Don't forget to write to the bureau of health if there is a nuisance in your neighborhood.

DON'T FORGET—NO DIRT—NO FLIES.

WALDIER TAKEN TO HOSPITAL.

Is in Serious State from Injuries Received Last Week.

Alphonso Waldier of Parnell, who was shot in an altercation with Fred and Carter Haas, at the Alex McCracken farm last week, was taken Wednesday to the Sisters' hospital in St. Joseph for treatment.

Mr. Waldier was shot in the leg and there has been a slight infection in the wound from the start. Shot and particles of clothing were extracted from the wound when it was dressed. Mr. Waldier was also struck over the head with the butt of a gun, causing bruises which have given his physicians much concern. He was unconscious for forty-eight hours following the fight.

Mr. Waldier was accompanied to St. Joseph by his son and his wife, Mr. and Mrs. A. Waldier, Jr., and Andrew Schmitz of Parnell.

HOLD FINAL DEBATE TONIGHT.

Happy Hill Literary Society Closes Meetings for the Year.

Tonight the literary society of the Happy Hill school, west of Burlington Junction, will listen to a debate on the subject of prohibiting the manufacture and sale of intoxicating liquors in the United States. On the affirmative side will be Miss Grace Neet, S. P. Dougherty, H. A. Smith and Everett Miller, and on the negative side will be R. R. Staples, Jr., Fred Dougherty, Charles Greenly and D. F. Bailey.

The school term ends this week and the debate tonight will also be the final one. The literary entertainments have been unusually interesting and have been attended by people from all the surrounding districts.

CHILD IS BITTEN BY DOG.

Small Daughter of Mr. and Mrs. Guy Evans Wounded.

The 3-year-old child of Mr. and Mrs. Guy Evans of Bedison, who was bitten in the face by a dog, has been at St. Francis hospital since the accident, having her wounds treated.

The child was playing with the dog, which was a pet hound, when the animal snapped at her and badly lacerated one cheek. The child was brought to the hospital at once and treatment administered. Her wounds have practically healed and she was taken to her home today.

HEAD IS CUT WITH AX.

Ben Patrick Meets With Accident While Chopping Wood.

Ben Patrick, living on the C. E. Walker farm, north of Burlington Junction, was badly injured while cutting timber yesterday.

Mr. Patrick, assisted by Charles Vulgamott, was chopping logs, using a two-edged ax. As he was making a stroke the blade of the ax was deflected and the sharp edge struck him on the head, cutting the scalp through to the bone. The gash was about four inches long.

REVIVAL PLANS ON

FIRST METHODISTS PREPARE FOR RELIGIOUS CAMPAIGN.

HOME PRAYERS TONIGHT

Preparations for Two Weeks Evangelistic Service, Beginning Sunday, Are Under Way.

The final religious campaign of the year in Maryville Protestant churches will begin at the First Methodist church Sunday morning, and continue for two weeks. The evangelistic services will be in charge of the Rev. Thurston B. Price of St. Louis, while the music service will be in charge of the Rev. E. N. Guice of Natchez, Miss. Both have just closed a union revival of Methodist churches in Salt Lake City, with 501 conversions to their credit. Seventy-five professed conversion on the closing night.

Mr. Price and Mr. Guice are expected to arrive here Saturday night and be ready to start off the evangelistic campaign Sunday morning. A large chorus is being formed and special music planned during the revival meeting.

All Hold "Awakenings."

With the conclusion of the First Methodist church campaign, every Protestant church in Maryville will have held special services since January 4, when a six weeks revival was begun by the First Baptist church. At the same time a two weeks revival was started at the Buchanan Street Methodist church. Shortly afterwards the First Christian church was the scene of a revival, followed by a short one at the First Presbyterian church. Each proved to be quite successful.

In the prayer meeting Wednesday night the Rev. G. S. Cox, pastor, told the congregation of the First Methodist church, of the evangelistic campaign and of the work expected of each in aiding in the success of the movement.

But the preliminary to the revival will really not begin until tomorrow night, when a series of cottage prayer meetings are to be held, to prepare for the evangelistic services. The various places at which these meetings will be held are H. E. Wright, 1122 North Main; R. S. Braniger, 616 North Buchanan; Preston Seafers, 549 West Second; H. C. Bower, South Buchanan; S. J. DeArmond, 324 East Third, and A. J. Harris, 1321 East First.

Some Bouquets for Leaders.

That Mr. Price is an able evangelist and Mr. Guice a highly capable choir director and evangelist as well is borne out by a host of signed statements made by pastors of churches where these two gospel workers have worked recently. One by the various Protestant pastors of Trenton, after a union meeting there recently, follows:

"Their work has been eminently satisfactory in every way. Scores have said that Mr. Price is the best evangelist they have ever known. Free from all eccentricities, never abusive or intolerant, free from all slang or coarseness, he is a perfect gentleman in every particular. He is a preacher of unusual force and clearness; striking hard at sin, but always in the spirit of love, he has gained the respect and love of all the people, and rendered us a service the value of which can never be measured. He has not sought to exalt himself, but has stood loyally by the pastors and the churches and has exalted Jesus Christ. We have no word of criticism to offer, but only the highest praise and gratitude. Throughout the meeting there has never been a jar, or the faintest sign of any friction of any kind. The close leaves nothing to be explained or regretted. We believe this meeting is the beginning of a new epoch in the religious life of Trenton."

Caruthersville Liked Him.

As further proof of Mr. Price's effectiveness as an evangelist, this statement came from Caruthersville during a union revival there:

"Thurston B. Price, the evangelist, is pursuing a different method entirely from what we have known. Cool, calm, conservative, he is entirely free from sensationalism. He is a forceful speaker, and has a way of making his words come home to the desired spot. He does not use any harsh language, yet never hesitates in using good, plain Anglo-Saxon terms to describe just what he means. The big tent is being filled from night to night, and the whole town is stirred."

Returns to Colorado.

Mrs. Salem Pearce and son, Millard, of Lamar, Col., who have been visiting at the home of Mrs. Pearce's sister, Mrs. Rankin Lyle, left Wednesday night for their home.

LINCOLN BOARD TO COME?

Members of Township Body There Invited to Inspect New Bridges Here, Report.

The members of the Lincoln township board have been invited to meet the Polk township board at Wilcox soon, and in conjunction make a tour of the roads of Polk township in automobiles, according to the Elmo Register. Ed C. Curfman, new trustee of this township, said this afternoon he knew of no such plans under way, but that maybe the old board had made such provision.

It is stated that the purpose of the junket would be that the Lincoln board might enlighten themselves as to bridge and culvert construction before expending the $25,000 special bridge bond voted there last winter. Polk has just finished using $50,000 in that way.

Mr. Curfman said the Polk township board was intending to make such a junket, probably next week, to determine what work was necessary.

GUILFORD TO GRADUATE 11

Washington Township High School Commencement to Be Saturday, April 24.

The Guilford high school will graduate a class of eleven this spring. The commencement exercises will be held Saturday night, April 24, while the class lecture will be delivered Friday night, April 23, by Wesley A. Blagg of this city. Both events will be held in the Methodist Episcopal church, South, there, beginning at 8 o'clock at night.

Those graduating are: Warren Wilson, valedictorian; Dollie Wilson, Ruby Ellis, Mildred Davis, Bernice Hildebrant, Ruby Davis, Lorene Thompson, Golda Hagan, Orvis Wallace, Garnett Campbell, and Charles Skidmore, salutatorian.

The class motto is "Knowledge is Power." The class colors are Nile green and white, while the class flower is white rose.

CROWD WITNESSES MOVIE PLAY.

"The Spoilers" Attracts Many to Empire Theater Last Night.

One of the most thrilling and finely staged scenes in filmdom was given at the Empire theater last night in the production of "The Spoilers," a Rex Beach story, featuring William Farnum and Kathlyn Williams.

The film was a nine-reel presentation and was shown twice last night before a filled house for both showings.

Some of the strongest action, which includes the dynamiting of the entire works of an Alaska mine, is shown in "The Spoilers," and the film is considered the highest achievement in movie art. It is the work of the William N. Selig company.

Manager Kuchs has arranged for a series of feature films to be given this summer. The next attraction will be "The Christian," by Hall Caine, which will be shown on the night of April 29.

HOLD BOY, 14, FOR THEFT.

Francis Curry, Hopkins, Stole Auto Flash Light, State Charges.

Francis Curry, 14 years old, son of Marion Curry, who lives between Hopkins and Clearmont, was arrested this morning by Sheriff Edwin Wallace, on a grand jury indictment, charging Curry with petty larceny. The boy is charged specifically with having stolen a flash light from the automobile of James Huls, near Clearmont, last winter.

He is said to have also committed other minor thefts, which caused some action to be taken relative to the boy's conduct. The boy and his father came to Maryville this morning and gave bond for the youth's appearance in circuit court tomorrow for arraignment before Judge W. C. Ellison.

Rev. C. R. Green to Lecture.

The Rev. C. R. Green, pastor of Harmony church, near Ravenwood, will deliver an address tonight at the home of Judge W. K. James in Avenue City, on the subject "Social Center and Community Building." The lecture has been arranged by the Willing Workers society of Avenue City.

GET MEET MEDALS

INSIGNIAS FOR INTER-HIGH SCHOOL WINNERS ARRIVE.

OFFER 40 TO ATHLETES

14 Gold, 14 Silver, 12 Bronze Fobs for Track Meet—Three Each for Literary Contest Champions.

The medals for track meet and literary winners in the sixth annual inter-high school contest at the Normal April 23 and 24 arrived today and are being placed on display by H. L. Raines, jeweler. There are forty gold, silver and bronze fobs for athletic events and three each for the declamation, oration and essay contest winners.

The athletic medals contain on the front the words "Northwest Missouri Inter-High School Association, Maryville, Mo." along the border, and the words "State Normal School," immediately above a relief picture of the Normal building here. It shows up splendidly. Immediately below the picture is space for engraving the year "1915." To one side is a profile of a runner in action. On the back is left room for such engraving as the winner may desire in addition to the name of the event for which the medal is given.

Literary Medals Similar.

The first prize fobs are gold filled, with a blue ribbon attached. The second prize fobs are of solid silver with a red ribbon attached, while third prize fobs are of bronze with a green ribbon attached. Each is about one and one-fourth inches in diameter. There are fourteen gold, fourteen silver and twelve bronze medals, third prize medals not being provided in two of the fourteen events.

The essay, declamation and oratory medals are similar in design, but the first prize is of solid gold, the second of silver and the third of bronze. The front contains only the word "Essay," "Declamation" or "Oration," depending on what event it is given for, while each contains the numerals "1915" on the front, and the letters "N. M. I. H. S. A." meaning "Northwest Missouri Inter-High School Association," on the back, with space for extra engraving. They may be used as a fob by the boy winners and as a pendant by girl winners.

The medals will be kept on display by Mr. Raines until the day preceding the track meet, April 24. They are attracting considerable attention, and many declare them to be better than provided any other year for the high school winners.

BUYS OKLAHOMA PAPER.

N. S. DeMotte to Locate at Weatherford, Okla.—Son Loren to Join Him.

N. S. DeMotte, formerly part owner and assistant manager of The Democrat-Forum, has purchased the Democrat at Weatherford, Okla., and will assume charge at once. Mr. DeMotte sold his interests in The Democrat-Forum to W. C. Van Cleve and left Maryville in January, 1914, because of declining health that compelled a change of climate. He located at Artesia, N. M., where he has since resided, and where he has steadily improved in health.

He will be joined and assisted in his new undertaking by his son, Loren DeMotte of this city. Mr. DeMotte's many friends here will be glad to learn of his improvement in health and will join in wishing him success in his new venture.

SPARKS FIRE MOZINGO HOUSE.

Slight Damage Done to Roof—Was Second Fire in Same Dwelling.

Fire from sparks from the cook stove did $30 damage to the four-room, one story residence owned by Frank Mozingo and occupied by Charles Sipes at No. 1416 East Halsey street, at 11 o'clock this morning. The fire was soon extinguished by neighbors who carried water from a well nearby. Part of the roof was burned away and water did slight damage to furnishings and walls.

Mrs. Sipes said a small coal fire was going in the cook stove, but that a few sparks were flying. This is the second fire at the residence, another having occurred while the Mozingo family resided there.

Improving Residences.

R. L. McDougal, 822 East First street, and George Pat Wright, 222 South Walnut, are each remodeling their residences by adding sleeping porches and making other improvements.

BLAMES HUERTA FOR MURDER

Responsible for Madero's Death, Says Brother-in-Law of Assassinated President.

By American Press.

Seattle, April 16.—"That's all humbug," said Colonel Perez Romero, a brother of Mrs. Francisco Madero, widow of the late president of Mexico, when shown a copy of the statement issued by General Victoriano Huerta, disregarding the question of who actually shot President Madero.

"The fact remains," said Colonel Romero, that General Huerta was in power and could command an armed force. President Madero was his prisoner, and while in his power was assassinated. How Huerta can attempt to elude responsibility for his death is inconceivable."

16,000 CARPENTERS STRIKE

Hundred Thousand Chicagoans Idle as Result of Walkout—Wanted Wage Increase.

By American Press.

Chicago, April 16.—Work was practically tied up in building operations valued at thirty million dollars here today when 100,000 men were thrown out of employment as the result of a strike of 16,000 union carpenters, which went into effect last night.

The strike was ordered by union leaders after demands for an increase in wages from 65 to 75 cents an hour had been refused.

C. H. BUTHERUS DIES AT NOON.

Death Comes After Long Illness—Funeral at Family Home Sunday.

Christian H. Butherus, 60 years old, died at 11:30 o'clock this morning at the family home, 1221 Lawn avenue. Mr. Butherus had been a sufferer with Bright's disease for several years and had been failing in health steadily since last spring. He had made his home in Maryville for nearly forty years, and during this time had been engaged in the tailoring business.

He is survived by a wife and five children. The children are Frank of St. Louis, William of Atchison, Kan.; Roy of Springfield, Ill.; Albert and Amelia, living at home.

Mr. Butherus was born in the town of Sarataw, Russia, December 10, 1855. He was educated in his native town, being reared on a farm till fifteen years of age, when he began to learn the tailor's trade, serving as an apprentice four and a half years. In 1876 he came to America and located at Burlington, Ia., where he worked at his trade for five months, then to Red Oak, Ia., where he continued his chosen calling for two years and eight months, at the expiration of which time he came to Maryville, carrying on his present business up to a few months ago, when he took down sick. Mr. Butherus was married at Red Oak, August 20, 1877, to Miss Katie Meyer. She was born in the same town as himself and came to America in the year 1877.

Mr. Butherus was a member of Nodaway lodge, No. 470, A. F. and A. M.; Owens chapter, No. 96, and Maryville commandery, No. 40, who will have a part in the funeral services.

The funeral services will be held at the home at 2:30 o'clock Sunday afternoon, conducted by the Rev. S. D. Harkness, pastor of the First Presbyterian church. The body will lie in state between the hours of 10 and 2 o'clock Sunday.

Masons, Attention!

A special communication of Nodaway lodge, No. 470, A. F. and A. M. will be held Sunday, April 18th, 1915, at 1:30 o'clock, for the purpose of attending the funeral of our late brother, Chris Butherus. All Masons are requested to be present. ROY COLLINS, W. M.

L. P. COLVIN, Secretary.

GIRLS' CLUB GIVES OPERETTA.

Japanese Entertainment to Be Given Tonight at High School.

The Girls' Glee club of the high school will give a Japanese operetta at the high school auditorium at 8 o'clock tonight.

The play will be given in costume, and some very fine stage effects have been obtained for the performance. The operetta includes some clever Japanese songs and dances, with an entertaining plot as a background.

President Ira Richardson of the State Normal school left this morning for Dudlow, where he will deliver the commencement address tonight.

CHRISTIANS PLAN TWO-DAYS RALLY

GOSPEL TEAM SUNDAY AND COUNTY MEET MONDAY.

IOWA BIBLE WORKERS WILL MAKE ADDRESSES

"Billy" Davison's Quintet Will Arrive Tomorrow for Day's Visit—Then Comes "Every Member" Canvass.

Two important meetings are to be held at the First Christian church in this city, Sunday and Monday.

Sunday the "Billy" Davison Gospel team will conduct an all-day service, and the people in charge of the day's plans anticipate one of the largest meetings ever held in the church.

Monday will be a central rally day and an every member canvass service for all the Christian churches in the county will be held at the Maryville church. This service will begin with a luncheon at noon in the Christian Endeavor rooms of the church.

This luncheon will be attended by the official board of the church, a representative from each of the twenty Christian churches in the county and many others.

At the afternoon meeting, which will be the only one of the day, there will be three addresses made. The speakers will be the Rev. C. M. Chilton of St. Joseph, formerly pastor of the Maryville church; Bert Wilson of Kansas City, secretary of the Foreign Christian Missionary society, and C. A. Lowe of Camden Point, district secretary.

A similar meeting to the one held in this city will be held simultaneously in each of the twenty-three counties in the district.

The "Billy" Davison Gospel team will arrive in Maryville early Sunday morning from Des Moines, Ia. This team is composed of five business men, all residents of Des Moines except one, Robert Garland, who travels out of Waterloo, Ia. In order to keep this date these men will travel all night Saturday and leave Sunday night to be at their places of business Monday morning.

The personnel of the team is William Davison, Dwight Lewis, Guy Williams, Robert Garland and a singer, Paul Wells, baritone soloist of Central church, Des Moines.

It is probable that these men will visit the various churches of the city at the morning services. In the afternoon a special meeting for men will be held at 2.30 o'clock. A song service will be conducted under the direction of Mr. Wells, and a double quartet will sing at this meeting.

The meeting will be attended by people from all over the county as a special invitation, to which many have responded, was issued to all men's organizations. Word was received from Newton Long of Sheridan, that he would head a large delegation from his town, and many other similar messages have been sent into the church pastor, the Rev. Robert L. Finch.

The team will also be in charge of the evening service to be held at the church at 8 o'clock.

CHANGE AT CONSERVATORY.

Will Be Employed as Secretary in the Place of Miss Sturm.

Miss Marie Reuillard will begin work Monday as bookkeeper and secretary for the Landon Music company in the place of Miss Grace Sturm, who ceases her work there Saturday. Miss Sturm will leave in a short time for Springfield to spend several weeks with Miss Helen Wray.

Hale Family to Return.

The Rev. Lewis M. Hale, who has been conducting a meeting at the Patee Park Baptist church, will return to Maryville Saturday noon. He will be accompanied by Mrs. Hale and daughter, who have been visiting with Mrs. Hale's parents in Oklahoma.

C. E. Boring of Quitman, was in Maryville today.

Maryville people are taking to the clean-up idea so enthusiastically that it looks like the place that is not cleaned up will be the most conspicuous thing in town. Dirty places will be so rare that everybody will want to know who they belong to and all about it.

It is both interesting and refreshing to be told by such disinterested observers as Senator Boise Penrose and the Republican national committeemen of the various states, including Missouri, that the voters are tired of the Democrats and are turning to the Republicans. The judgment of calm and unprejudiced observers is always welcome.—St. Louis Star.

Billy Sunday, the great evangelist, speaking a few evenings ago on the "Newspaper and Its Influence for Good or Evil," said: "If every newspaper in the country were suppressed, crime would increase 100 per cent in twenty-four hours and all hell would hold a jubilee." Publicity is the greatest enemy of crime, and restrains both weak and strong men from following evil inclinations.

St. Louis is in the embarrassing position of having elected as president of its board of aldermen a man who has been indicted for selling worthless deeds of trust to widow women, and who, in fact, was compelled to write out his resignation before he was elected. It also develops that the chairman of the Republican city campaign committee knew in advance of these facts but allowed the people to elect an unfit man rather than endanger the balance of his ticket by taking this man off his ticket. He thereby saved his ticket, but he brought odium and suspicion upon his political associates and discredit upon himself. Parties, like men, must be honest with the people if they would continue to win.

Skidmore Track Meet This Afternoon—Have 14 Events—Good Prizes.

The track meet of the Skidmore high school is being held there this afternoon. There are fourteen events and several students entered for each, several of the events being for girls, too. A number of prizes in cash and merchandise to the value of $30 have been provided by the business men of Skidmore. There are two premiums offered in each event.

They are a 50-yard dash, 220-yard dash, throwing hammer for girls, shot put, hitching a horse single and getting into vehicle for girls, ¼-mile run, potato race, standing broad jump, nail driving, pole vault, hop, step and jump, running high jump and ½-mile run.

Parnell Also May Clean Up.

A plea for a clean-up in Parnell this spring is made this week by the Parnell Sentinel. Other towns over Nodaway county also are making plans for a general renovation within the next two weeks.

Will Play Skidmore Sunday.

The Burlington Junction base ball team has arranged for a game with Skidmore at Bever park, Burlington Junction, Sunday afternoon. The game will be called at 2:30. The new grand stand is being put up this week.

SAYS ADVANCES UNWARRANTED

Missouri River Packers Pay Higher Rate on Kansas Coal.

TESTIMONY GIVEN AT CHICAGO

Railroads Charge Packing Plants at Kansas City, St. Joseph, Omaha and Sioux City More Than Those at Other Points For Fuel Hauls.

Chicago, April 16.—Packing house plants on the Missouri river in view of distance and service rendered pay a higher freight rate on coal from the Kansas fields than do other points, according to testimony before the interstate commerce commission's hearing of the petition of the forty-one western railroads for increased freight rates. Witnesses said the proposed advance of 5 cents a ton on coal was unwarranted. The testimony touched slack coal chiefly.

Increases in freight rates from the Kansas coal fields to Kansas City, St. Joseph and South Omaha plants of Swift & Co., from 55 cents a ton in 1905 to 70 cents at the present rate were discussed by R. O'Hara, chief rate clerk of Swift & Co.

He declared that for similar distances Illinois coal was carried by the railroads to Chicago with average car mile earnings of 12.7 cents, while the car mile earnings from the Kansas field to Kansas City were 22.2 cents to St. Joseph 18 cents and South Omaha 16.7 cents.

On cross-examination the witness said that density of traffic had not figured in his compilation.

Manker's Testimony.

W. W. Manker, assistant traffic manager of Armour & Co., testified along similar lines, his discussion including Sioux City, Ia., as well as the points covered by Mr. O'Hara. Mr. Manker said:

"The rates from Kansas and Missouri mines to Missouri river points are on a much higher basis than those from other coal fields and points similarly distant."

The specific contention that present coal rates from Illinois coal mines to Sioux City now yield a higher revenue per car than do other commodities was advanced by C. E. Childe, commissioner of the traffic bureau of the Sioux City Commercial club.

Mr. Childe reviewed statistics presented by a railroad witness on the average load of the principal commodities handled in Sioux City territory and said:

"The average car mile revenue of the commodities named by the witness for the railroad was less than 16 cents. Sioux City now pays 19.8 cents per car mile on its lump coal and over 16 cents on its steam coal."

HUERTA ISSUES STATEMENT

Declares He Had Nothing to Do With Madero's Death.

New York, April 16.—Vehemently asserting that he had nothing to do with the death of Francisco Madero, General Victoriano Huerta, former provisional president of Mexico, issued a signed statement setting forth his side of the Mexican question. General Huerta declared that he knew who was responsible for Madero's death, but that he was keeping it as "a professional secret."

General Huerta's statement concluded with the assertion that "my country can not be conquered." Sixteen millions of men, women and children would have to be killed before Mexico would submit to an invader, he asserted.

The heads of the Washington administration, he declared, had not been fair to Mexico.

Johnston Plans 15,000 Mile Tour.

WADOO ASKS THAT CASE BE POSTPONED

Test Powers of Treasury Officials In Riggs Bank Suit.

Washington, April 16.—Postponement of the hearing to a later date was asked by the defense when the injunction proceedings of the Riggs National bank against Secretary McAdoo and Comptroller of the Currency Williams were taken up in the District supreme court today.

Evidence clearly indicated that the fight already is assuming proportions far beyond the mere relations between this powerful Washington bank and the treasury officials. Bankers in all parts of the country are manifesting a keen interest in the proceedings.

The big question which is overshadowing all personal controversies between the Riggs bank officers and the treasury officials is that of the powers of the comptroller under the law. It is said that many national banks, particularly those in big cities in the east, have been chafing for months under the demands which have been made on them by Comptroller Williams for reports and information in regard to their affairs.

The power of the comptroller to make these demands has been questioned by many bankers, but the matter never has been passed on by the courts.

The proceedings begun by the Riggs bank officers, therefore, will test out this general question for the banks of the country and will determine to what extent officials at Washington shall be able to look into their affairs.

BRITISH APOLOGIZE

England Confesses Violation of Neutrality by Blowing Up Dresden.

London, April 16.—The British government offered "a full and ample apology" to the Chilean government for the sinking on March 14 in Chilean waters of the German cruiser Dresden, the internment of which had already been ordered by the maritime government of Cumberland bay when the British squadron attacked and sank it.

This fact was made public in a white paper, giving the texts of the Chilean note protesting against the sinking of the Dresden and the British government's reply.

JURY NOT TO PASS ON SANITY OF THAW

New York, April 16.—Supreme Court Justice Newburger declined to consider the motions of lawyers for Harry K. Thaw that he be granted a jury trial to determine his sanity. He held that the writ in the case was returnable next Monday and should be entertained by the justice then sitting, who will be Justice Hendricks.

Justice Newburger interrupted the preliminary argument by John B. Stanchfield of Thaw's counsel to announce his decision. Mr. Stanchfield had at that time received the history of the Thaw case, which he argued constituted a "peculiarly fit case to warrant the court in calling upon a jury to aid his conscience in determining whether the defendant is sane."

Thaw and his mother were in court.

FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by druggists under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

Brassiere Beauty

MANY of the newest Warner Brassieres are so dainty in fabric and trimming that many women wear them as an extra bit of lingerie as well as to supplement the corset.

Warner's Brassieres
Are figure beautifiers, since they control and shape the bust, and are quite as helpful to the slender as the stout woman, or the woman of the average proportion.

THERE is a wide variety of Warner's Brassieres to meet your choice in style and price. There are plain, simple styles, that one may, if one wishes, decorate to personal liking; but the conceits of lace, ribbons and embroidery are most fancinating.

Drudgery

Humans was never intended to spend the greater portion of their lives in the drudgery of labor or labor saving devices would not have been invented and come into general use. Electricity is one of the greatest boon in relieving both man and woman of much of such wasted labor. Wasted in the sense that they could better be employed in some of the larger duties of life.

Why waste hours in sweeping and dusting when a vacuum cleaner will do the work in minutes at small expense?

Why iron by obsolete methods when an electric iron can accomplish the same work in half the time?

Why cook over a hot range or odorous gasoline stove when electricity can do the work at small cost and with twice the ease and comfort?

FRENCH REMEDY AIDS STOMACH SUFFERERS

France has been called the nation without stomach troubles. The French have for generations used a simple mixture of vegetable oils that relieve stomach and intestinal ailments and keep the bowels free from foul, poisonous matter. The stomach is left to perform its functions normally. Indigestion and gastritis vanish.

Mr. Geo. H. Mayr, a leading druggist of Chicago, cured himself with this remedy in a short time. The demand is so great that he imports these oils from France and compounds them under the name of Mayr's Wonderful Remedy. People everywhere write and testify to the marvelous relief they have received using this remedy—one dose will rid the body of poisonous accretions that have accumulated for years and convince the most chronic sufferer from stomach, liver or intestinal troubles.

Mayr's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if one bottle fails to give you absolute satisfaction.

Something New in Town From "The Land of the Long Leaf Pine"

An "Outside" Treatment That Relieves Croup and Cold Troubles Quicker Than Internal Medicines—Applied Externally, It Is Inhaled as a Vapor and Absorbed Through the Skin.

Druggists Below Are Selling 25c. Jars on 30-Days' Trial—Money Back if Not Delighted.

Every year thousands of people, suffering from forms of lung trouble, make a pilgrimage to the pine barrens of North Carolina, "the land of the long leaf pine." The reason lies in the warm dry air, spicy with the odor of the long leaf pines.

Local druggists, however, have recently received a treatment that is almost as good as a trip South. This is Vick's "Vap-O-Rub" Salve, the invention of a North Carolina druggist. When applied over the throat and chest the body heat releases vapors of Menthol, Camphor, Pine Oil, Thyme, and Eucalyptus, that are inhaled with each breath through the air passages to the lungs, loosening the phlegm, and soothing the inflamed membrane. In severe cases, first apply hot wet towels to open the pores. Vick's is then absorbed through the skin, taking out that tightness and soreness.

The progressive druggists, listed below, are anxious that their customers who are troubled with asthma, catarrh, bronchitis, tonsilitis, or any form of cold trouble, should try this new treatment, though their profit on Vick's is smaller than on internal medicines. They are, therefore, offering Vick's in three sizes, 25c, 50c or $1.00, on 30 days' trial, giving with each sale a refund blank, good for your money back if you are not delighted.

CATCH YOUNG FOXES.

Burlington Junction Men Find Animals in Hollow Log—Mother Escapes.

While hunting in the woods on the L. O. Staples farm, southwest of Burlington Junction, this week Edward Merritt and Fred and Vern Dolph caught four young red foxes. The men were sitting on a large log, when the old fox dashed out of it and ran for cover. They fired at the animal but failed to hit her. They then turned their attention to the hollow log. They split the log and found four little foxes. They took them home and will endeavor to raise them.

POULTRY INDUSTRY THRIVING.

Burlington Farmers Market Eggs by Wholesale—Firm Buys 1,200 Dozen.

Poultry and eggs are really becoming a profitable business on some of the farms of Nodaway county, judging from the amount of produce bought and shipped by merchants and commission men, says the Burlington Junction Post. Dutch Gray, who lives on route 2 out of Burlington Junction, brought 101 dozen eggs to the Zarn store, and Amos Hayes, another farmer on route 2, went his neighbor one better by bringing 112 dozen to the same store. These eggs were all gathered in a week. John Discus, who lives on the William Staples farm, west of town, brings from 75 to 100 dozen to the store each week. The Zarn company bought 1,200 dozen Saturday and 75 cases in four days.

RESOLUTION NO. V.

A Resolution providing for the grading, paving, guttering and curbing of certain streets in the City of Maryville, Missouri, as follows:

Be It Resolved that it is deemed necessary by the Board of Aldermen of the City of Maryville, Missouri, that Mulberry and Twelfth streets in said city from the North line of the paving at Ninth and Mulberry streets, thence north to the South side of the bridge across the Right of Way of the Wabash railroad; from the north side of the bridge across the said Right of Way of the Wabash railroad, thence north to the North line of Twelfth street; thence west from the West line of Twelfth street to the West line of Walnut street in said city shall be graded, paved, guttered and curbed twenty-four feet in width for the entire distance aforesaid, the center line of said streets to be the center line of said grading, paving, guttering and curbing, said streets to be graded as aforesaid and brought to the established grade therefor as provided by Ordinance No. 642 of said city, and in addition thereto said streets between the points aforesaid shall be excavated sufficient to pave said streets as herein provided on said grade and said streets between the points aforesaid, twenty-four feet in width as aforesaid, shall be paved with bituminous concrete, not less than two inches nor more than three inches in thickness, laid on a five-inch foundation of Portland cement concrete and curbed with six inch gutters with cement curbing six inches thick and eighteen inches deep and not less than eight nor more than sixteen feet in length, with cut joints, which curbing shall be set out into the street beyond the sidewalk, provided that the streets improved shall be, on each side thereof, where the same abut on a cross alley, graded and paved an additional width of three feet and which additional grading and paving shall be twelve feet in length across all intersected alleys, and provided further that the streets improved shall be, on each side thereof, where the same abut on a cross street graded and paved an additional width of twenty-one feet across all intersected streets and be twenty-four feet in length in the center of and across all intersected streets, and the curbing across intersected alleys and the twenty-four feet of the middle portion of intersected streets shall be Cypress headers.

It appearing, and the Board of Aldermen of said city having this day by ordinance duly passed and approved, found that the general revenue fund of said City of Maryville is not in condition to warrant an expenditure therefrom necessary to pay the cost of bringing the before described streets to the established grade, the cost of bringing the before described streets to the established grade, as aforesaid, shall be included in the special assessment for paving, guttering and curbing said streets, and the cost of all excavating and grading herein, including the cost of bringing said streets to the established grade as aforesaid, and the cost of all paving, guttering and curbing, as aforesaid, shall be levied as a special assessment upon all the lots and pieces of ground upon either side of said streets abutting thereon and liable therefor along the distance improved in proportion to the front foot.

Be It Further resolved that this resolution be published for two consecutive weeks in the Daily Democrat-Forum, a newspaper published daily in the City of Maryville, Missouri.

Passed and approved this seventh day of April, 1915.

U. S. WRIGHT, Mayor.

Attest:
C. W. BENNETT, City Clerk.

SUFFERED 15 YEARS, CURED IN 21 DAYS

Astounding Cures Made by This Remarkable New Discovery.

Gentlemen: For over fifteen years I was afflicted with eczema, covering my arms, legs and face. I suffered so much distress that I could not sleep. My face was red and swollen, and covered with dry, feverish scales. I was unable to attend to business for weeks at a time.

I had about given up all hope when I tried your remedy, Amolox. The first application gave me relief so I could sleep. After applying it for several days I was able to attend to business. After thirty days' treatment my eczema entirely disappeared.—James R. Rigby, Youngstown, O.

Amolox is the prescription of a physician who used it with wonderful success in his private practice. Now, for the first time, offered for sale by the leading druggists.

Amolox Ointment will quickly banish pimples on the face, blackheads, and all minor skin troubles. Chronic cases of Psoriasis, Salt Rheum, Tetter, that have suffered for years, require both the Ointment and Solution to effect a cure. Trial size, 50c. Guaranteed and recommended by the Orear-Henry Drug Co.

ZEPPELINS AGAIN RAID ENGLAND

East Coast Towns Are Scene of Bomb Attacks.

CONSIDERABLE DAMAGE DONE.

Woman Injured, Horses Killed, Windows of Houses Broken and Lumber Yard Fired—Maldon, Lowestoft and Southwold Among Places Visited.

WAR SUMMARY

Again the allies have assumed the offensive on the western line of battle and, according to Paris, have made gains in Terrain, capturing officers and men and guns and repulsed German counter attacks.

While there has been somewhat of a letup in the viciousness of the Russian attempt to get its armies through the Carpathians and out on the plains of Hungary, hard fighting continues in some sectors.

Both Petrograd and Vienna assert that all attacks against their respective forces were repulsed.

Two Zeppelins raided the east coast of England again, doing considerable damage to property by bombs.

In the eight months of fighting from August to April 11 the total casualties among the British forces were 139,347 men.

London, April 16.—Two Zeppelin airships visited the east coast of England shortly after midnight, dropping bombs on several towns and doing considerable damage to property. As far as has been ascertained, only one person, a woman, was injured. It is said she was only slightly hurt.

The airships dropped a dozen bombs on Maldon, in Essex county, thirty miles east of London, but no damage resulted. Bombs also were dropped in the Heybridge basin, two miles across the river. These set fire to some buildings.

The airships came up the Blackwater river and over the marches and circled.

At Lowestoft, on the North sea, in Suffolk county, three bombs were dropped, considerable damage resulting to house property in the center of the town. A lumber yard was set on fire. The window panes in many houses were shattered.

Previously the aircraft had visited Southwold, twelve miles south of Lowestoft, and having missed striking that town with its missiles went on to Halesworth, eight miles inland. It then returned again to Southwold and dropped six bombs.

BRITONS RUSH TO BUY WHISKY

Stock Up Before Anticipated Prohibition Action by Government.

London, April 16.—The rush to buy whisky in consequence of the government's anticipated action of prohibiting its sale during the war, threatens a dearth of the beverage long before the government puts its action in force.

The withdrawals of whisky from bond have been enormous. The distillers excuse themselves by saying it is entirely due to a panic among the buying public, which resembles the panic in food and the hoarding of foodstuffs after the outbreak of the war.

Retailers say they have the greatest difficulty in getting supplies. There are ample stocks in the country, but the wholesalers are unable to deliver consignments owing to the congestion of the railways.

FLOODS IN ARIZONA

Torrents From Melting Snows Overwhelm Great Dams.

Holbrook, Ariz., April 16.—Torrents from the melting snows of the White mountains overwhelmed two reservoir dams on the Little Colorado river near St. Johns, drowned eight persons, damaged property to the extent of about $500,000 and left more than 30,000 acres of an irrigation project to the mercies of dry farming until new dams are built.

Farmer Taken to Woods and Thrashed

Somerset, Pa., April 16.—A party of men took George Berndt, a well-to-do farmer of Lincoln township, from the residence of his father near here, led him into a dense forest and thrashed him with thorn switches. The leader of the party, which numbered about forty, told Berndt that the punishment was administered because it was charged he did not provide for his wife and five children. Berndt sought warrants for the arrest of the men, many of whom were said to be leading residents of Lincoln township.

Obituary.

Laura Miller was born in Burlington Junction, March 29, 1888. On February 1, 1906, she was married to Raymond Houghtaling of Bolckow. To this union were born three sons, Perry, now 7 years old; Don, aged 5, and an infant born Friday, April 2. After an illness of about two weeks, during which she suffered intensely, she passed away in death at 5:15 Monday afternoon, April 5, aged 27 years and 7 days. She leaves to mourn her untimely death her husband, father and mother, one brother and four sisters, besides the three little boys who can never know a mother's care. She was a member of the Bolckow chapter, Order of the Eastern Star. The funeral services were held at the Christian church at Bolckow at 11 o'clock, Wednesday morning, April 7, conducted by the Rev. W. A. Chapman.

MEN CHANGE STYLES, TOO.

Woman Not Alone in Clothes Parade—Some of the New Things for Males.

Man is coming into his own this spring in the way of clothes attractiveness and is vieing with the feminine species of the human animal for honors in the clothes parades.

An angle of men's clothing for spring is the quantities of imported fabrics being shown. The struggle over seas doesn't seem to have affected the fabrics up to now. Glen Urquharts and Tartans are among the favorites, although the stripes are holding on strongly.

In cut the tendency is toward broad lapels, form fitting backs and straight hung trousers and away from padded and stiff fronted coats.

One standard suit style that is very popular with young men has a thirty-inch coat with a soft front. The back fits in at the waist and has a vent. Of the three buttons the top one is to be left open to allow proper roll to the broad, notched lapels. The waistcoat has either a roll collar or none at all, and has five buttons. The trousers are medium English effect, hanging in straight lines and having a narrow cuff.

Hats offer a wide variety; stiff and soft. In the soft hats a medium crown with a rolled brim seems a little ahead in popularity, particularly among the younger men.

Disgonal stripes, some of them quite wide, seem to have the call in the early showings of spring neckwear. A large number of bows, in mixed colors, are being shown.

Everything in shirts seems to incline toward plain, soft effects; few tucks or plaits are shown. It looks like a big season on silks and flannels. In colorings there is an immense variety with new and odd patterns and color combinations.

This season's shoes show flat soles, in a rather narrow effect and low flat heels. The cloth top is gaining in favor.

52 EIGHTH GRADE PUPILS TAKE QUIZ

POLK TOWNSHIP PRESENTS MANY FOR GRADUATION.

NEARLY ALL SCHOOLS SEND A DELEGATION

Two of Another Township Take Examinations Here Today—Many Free Scholarships Offered.

Fifty-eight grade pupils of Polk township rural schools and two of another township had enrolled at noon today for the annual examination for graduation being held today and tomorrow in the Maryville Business college rooms. The examination is in charge of Miss Ruby Ruddell, Miss Mary Watson and Miss Mary Halasey, teachers of the township.

The subjects on which quizzes are being given to the pupils today are grammar, spelling, arithmetic, civil government and U. S. History. Tomorrow questions on geography, reading, literature, physiology and agriculture will be given the students.

Some of those taking examinations have already passed in one or more studies and are now wishing to complete passing grades in ten studies, while others intend to take part of the work this time and finish next term. Several more students are expected to enroll tomorrow.

Offer Free Scholarships.

The papers will be graded by County School Superintendent Bert Cooper and an assistant. Pupils are required to make an average grade of 80 per cent and not less than 60 per cent in any study to graduate. Five free scholarships to any high school of Nodaway county, the Maryville Business college, the Conservatory of Music here, and an agricultural correspondence course in the International Correspondence schools are offered to those making the higher grades.

The annual examination for eighth grade pupils also are being held the last two days of this week in all other townships of Nodaway county. Several other high schools of the county are also offering high school scholarships for several townships adjoining.

Several Polk township pupils are taking examinations today and tomorrow in adjoining townships, because of their being closer to those points in some instances.

These Are Taking Quizzes.

Those taking the examinations today here and the school they attend are:

Olwell—Ralph E. Sherlock, Catherine M. Sherlock, Joseph F. Sherlock.

Bell Grove—Lacey D. Auten, Mildred Nicholas, Robert Nicholas.

Wilcox—Hugh Smith, Clark Ritchie.

Ireland—Dale M. Hughes, Leo J. Halasey.

"DON'TS" FOR ANTI-FLY FIGHT.

The following "don'ts" have been issued by the St. Louis Kill the Fly association to householders:

Don't tolerate flies.

Don't allow them in your house.

Don't allow them on your premises.

Don't allow garbage or rubbish to accumulate on your lot or near it.

Don't allow dirt in your house. Look in the corners, behind the doors and furniture, under stairs and beds. Remove the cuspidors. In brief, keep the house clean.

Don't allow flies near food, especially milk.

Don't buy foodstuffs where flies are allowed.

Don't buy milk where flies are on the cans or bottles.

Don't eat where flies are found.

Don't forget screens.

Don't forget to write to the bureau of health if there is a nuisance in your neighborhood.

DON'T FORGET—NO DIRT—NO FLIES.

WALDIER TAKEN TO HOSPITAL.

Is in Serious State from Injuries Received Last Week.

Alphonso Waldier of Parnell, who was shot in an altercation with Fred and Carter Haas, at the Alex McCracken farm last week, was taken Wednesday to the Sisters' hospital in St. Joseph for treatment.

Mr. Waldier was shot in the leg and there has been a slight infection in the wound from the start. Shot and particles of clothing were extracted from the wound when it was dressed. Mr. Waldier was also struck over the head with the butt of a gun, causing bruises which have given his physicians much concern. He was unconscious for forty-eight hours following the fight.

Mr. Waldier was accompanied to St. Joseph by his son and his wife, Mr. and Mrs. A. Waldier, Jr., and Andrew Schmitz of Parnell.

HOLD FINAL DEBATE TONIGHT.

Happy Hill Literary Society Closes Meetings for the Year.

Tonight the literary society of the Happy Hill school, west of Burlington Junction, will listen to a debate on the subject of prohibiting the manufacture and sale of intoxicating liquors in the United States. On the affirmative side will be Miss Grace Neet, S. P. Dougherty, H. A. Smith and Everett Miller, and on the negative side will be R. R. Staples, Jr., Fred Dougherty, Charles Greenly and D. F. Bailey.

The school term ends this week and the debate tonight will also be the final one. The literary entertainments have been unusually interesting and have been attended by people from all the surrounding districts.

CHILD IS BITTEN BY DOG.

Small Daughter of Mr. and Mrs. Guy Evans Wounded.

The 3-year-old child of Mr. and Mrs. Guy Evans of Bedison, who was bitten in the face by a dog, has been at St. Francis hospital since the accident, having her wounds treated.

The child was playing with the dog, which was a pet hound, when the animal snapped at her and badly lacerated one cheek. The child was brought to the hospital at once and treatment administered. Her wounds have practically healed and she was taken to her home today.

HEAD IS CUT WITH AX.

Ben Patrick Meets With Accident While Chopping Wood.

Ben Patrick, living on the C. E. Walker farm, north of Burlington Junction, was badly injured while cutting timber yesterday.

Mr. Patrick, assisted by Charles Vulgamott, was chopping logs, using a two-edged ax. As he was making a stroke the blade of the ax was deflected and the sharp edge struck him on the head, cutting the scalp through to the bone. The gash was about four inches long.

REVIVAL PLANS ON

FIRST METHODISTS PREPARE FOR RELIGIOUS CAMPAIGN.

HOME PRAYERS TONIGHT

Preparations for Two Weeks Evangelistic Service, Beginning Sunday, Are Under Way.

The final religious campaign of the year in Maryville Protestant churches will begin at the First Methodist church Sunday morning, and continue for two weeks. The evangelistic services will be in charge of the Rev. Thurston B. Price of St. Louis, while the music service will be in charge of the Rev. E. N. Guice of Natchez, Miss. Both have just closed a union revival of Methodist churches in Salt Lake City, with 501 conversions to their credit. Seventy-five professed conversion on the closing night.

Mr. Price and Mr. Guice are expected to arrive here Saturday night and be ready to start off the evangelistic campaign Sunday morning. A large chorus is being formed and special music planned during the revival meeting.

All Hold "Awakenings."

With the conclusion of the First Methodist church campaign, every Protestant church in Maryville will have held special services since January 4, when a six weeks revival was begun by the First Baptist church. At the same time a two weeks revival was started at the Buchanan Street Methodist church. Shortly afterwards the First Christian church was the scene of a revival, followed by a short one at the First Presbyterian church. Each proved to be quite successful.

In the prayer meeting Wednesday night the Rev. G. S. Cox, pastor, told the congregation of the First Methodist church, of the evangelistic campaign and of the work expected of each in aiding in the success of the movement.

But the preliminary to the revival will really not begin until tomorrow night, when a series of cottage prayer meetings are to be held, to prepare for the evangelistic services. The various places at which these meetings will be held are H. E. Wright, 1122 North Main; R. S. Braniger, 616 North Buchanan; Preston Seafers, 549 West Second; H. C. Bower, South Buchanan; S. J. DeArmond, 324 East Third, and A. J. Harris, 1321 East First.

Some Bouquets for Leaders.

That Mr. Price is an able evangelist and Mr. Guice a highly capable choir director and evangelist as well is borne out by a host of signed statements made by pastors of churches where these two gospel workers have worked recently. One by the various Protestant pastors of Trenton, after a union meeting there recently, follows:

"Their work has been eminently satisfactory in every way. Scores have said that Mr. Price is the best evangelist they have ever known. Free from all eccentricities, never abusive or intolerant, free from all slang or coarseness, he is a perfect gentleman in every particular. He is a preacher of unusual force and clearness; striking hard at sin, but always in the spirit of love, he has gained the respect and love of all the people, and rendered us a service the value of which can never be measured. He has not sought to exalt himself, but has stood loyally by the pastors and the churches and has exalted Jesus Christ. We have no word of criticism to offer, but only the highest praise and gratitude. Throughout the meeting there has never been a jar, or the faintest sign of any friction of any kind. The close leaves nothing to be explained or regretted. We believe this meeting is the beginning of a new epoch in the religious life of Trenton."

Caruthersville Liked Him.

As further proof of Mr. Price's effectiveness as an evangelist, this statement came from Caruthersville during a union revival there:

"Thurston B. Price, the evangelist, is pursuing a different method entirely from what we have known. Cool, calm, conservative, he is entirely free from sensationalism. He is a forceful speaker, and has a way of making his words come home to the desired spot. He does not use any harsh language, yet never hesitates in using good, plain Anglo-Saxon terms to describe just what he means. The big tent is being filled from night to night, and the whole town is stirred."

Returns to Colorado.

Mrs. Salem Pearce and son, Millard, of Lamar, Col., who have been visiting at the home of Mrs. Pearce's sister, Mrs. Rankin Lyle, left Wednesday night for their home.

LINCOLN BOARD TO COME?

Members of Township Body There Invited to Inspect New Bridges Here, Report.

The members of the Lincoln township board have been invited to meet the Polk township board at Wilcox soon, and in conjunction make a tour of the roads of Polk township in automobiles, according to the Elmo Register. Ed C. Curfman, new trustee of this township, said this afternoon he knew of no such plans under way, but that maybe the old board had made such provision.

It is stated that the purpose of the junket would be that the Lincoln board might enlighten themselves as to bridge and culvert construction before expending the $25,000 special bridge bond voted there last winter. Polk has just finished using $50,000 in that way.

Mr. Curfman said the Polk township board was intending to make such a junket, probably next week, to determine what work was necessary.

GUILFORD TO GRADUATE 11

Washington Township High School Commencement to Be Saturday, April 24.

The Guilford high school will graduate a class of eleven this spring. The commencement exercises will be held Saturday night, April 24, while the class lecture will be delivered Friday night, April 23, by Wesley A. Blagg of this city. Both events will be held in the Methodist Episcopal church, South, there, beginning at 8 o'clock at night.

Those graduating are: Warren Wilson, valedictorian; Dollie Wilson, Ruby Ellis, Mildred Davis, Bernice Hildebrant, Ruby Davis, Lorene Thompson, Golda Hagan, Orvis Wallace, Garnett Campbell, and Charles Skidmore, salutatorian.

The class motto is "Knowledge is Power." The class colors are Nile green and white, while the class flower is white rose.

CROWD WITNESSES MOVIE PLAY.

"The Spoilers" Attracts Many to Empire Theater Last Night.

One of the most thrilling and finely staged scenes in filmdom was given at the Empire theater last night in the production of "The Spoilers," a Rex Beach story, featuring William Farnum and Kathlyn Williams.

The film was a nine-reel presentation and was shown twice last night before a filled house for both showings.

Some of the strongest action, which includes the dynamiting of the entire works of an Alaska mine, is shown in "The Spoilers," and the film is considered the highest achievement in movie art. It is the work of the William N. Selig company.

Manager Kuchs has arranged for a series of feature films to be given this summer. The next attraction will be "The Christian," by Hall Caine, which will be shown on the night of April 29.

HOLD BOY, 14, FOR THEFT.

Francis Curry, Hopkins, Stole Auto Flash Light, State Charges.

Francis Curry, 14 years old, son of Marion Curry, who lives between Hopkins and Clearmont, was arrested this morning by Sheriff Edwin Wallace, on a grand jury indictment, charging Curry with petty larceny. The boy is charged specifically with having stolen a flash light from the automobile of James Huls, near Clearmont, last winter.

He is said to have also committed other minor thefts, which caused some action to be taken relative to the boy's conduct. The boy and his father came to Maryville this morning and gave bond for the youth's appearance in circuit court tomorrow for arraignment before Judge W. C. Ellison.

Rev. C. R. Green to Lecture.

The Rev. C. R. Green, pastor of Harmony church, near Ravenwood, will deliver an address tonight at the home of Judge W. K. James in Avenue City, on the subject "Social Center and Community Building." The lecture has been arranged by the Willing Workers society of Avenue City.

GET MEET MEDALS

INSIGNIAS FOR INTER-HIGH SCHOOL WINNERS ARRIVE.

OFFER 40 TO ATHLETES

14 Gold, 14 Silver, 12 Bronze Fobs for Track Meet—Three Each for Literary Contest Champions.

The medals for track meet and literary winners in the sixth annual inter-high school contest at the Normal April 23 and 24 arrived today and are being placed on display by H. L. Raines, jeweler. There are forty gold, silver and bronze fobs for athletic events and three each for the declamation, oration and essay contest winners.

The athletic medals contain on the front the words "Northwest Missouri Inter-High School Association, Maryville, Mo." along the border, and the words "State Normal School," immediately above a relief picture of the Normal building here. It shows up splendidly. Immediately below the picture is space for engraving the year "1915." To one side is a profile of a runner in action. On the back is left room for such engraving as the winner may desire in addition to the name of the event for which the medal is given.

Literary Medals Similar.

The first prize fobs are gold filled, with a blue ribbon attached. The second prize fobs are of solid silver with a red ribbon attached, while third prize fobs are of bronze with a green ribbon attached. Each is about one and one-fourth inches in diameter. There are fourteen gold, fourteen silver and twelve bronze medals, third prize medals not being provided in two of the fourteen events.

The essay, declamation and oratory medals are similar in design, but the first prize is of solid gold, the second of silver and the third of bronze. The front contains only the word "Essay," "Declamation" or "Oration," depending on what event it is given for, while each contains the numerals "1915" on the front, and the letters "N. M. I. H. S. A." meaning "Northwest Missouri Inter-High School Association," on the back, with space for extra engraving. They may be used as a fob by the boy winners and as a pendant by girl winners.

The medals will be kept on display by Mr. Raines until the day preceding the track meet, April 24. They are attracting considerable attention, and many declare them to be better than provided any other year for the high school winners.

BUYS OKLAHOMA PAPER.

N. S. DeMotte to Locate at Weatherford, Okla.—Son Loren to Join Him.

N. S. DeMotte, formerly part owner and assistant manager of The Democrat-Forum, has purchased the Democrat at Weatherford, Okla., and will assume charge at once. Mr. DeMotte sold his interests in The Democrat-Forum to W. C. Van Cleve and left Maryville in January, 1914, because of declining health that compelled a change of climate. He located at Artesia, N. M., where he has since resided, and where he has steadily improved in health.

He will be joined and assisted in his new undertaking by his son, Loren DeMotte of this city. Mr. DeMotte's many friends here will be glad to learn of his improvement in health and will join in wishing him success in his new venture.

SPARKS FIRE MOZINGO HOUSE.

Slight Damage Done to Roof—Was Second Fire in Same Dwelling.

Fire from sparks from the cook stove did $30 damage to the four-room, one story residence owned by Frank Mozingo and occupied by Charles Sipes at No. 1416 East Halsey street, at 11 o'clock this morning. The fire was soon extinguished by neighbors who carried water from a well nearby. Part of the roof was burned away and water did slight damage to furnishings and walls.

Mrs. Sipes said a small coal fire was going in the cook stove, but that a few sparks were flying. This is the second fire at the residence, another having occurred while the Mozingo family resided there.

Improving Residences.

R. L. McDougal, 822 East First street, and George Pat Wright, 222 South Walnut, are each remodeling their residences by adding sleeping porches and making other improvements.

Responsible for Madero's Death, Says Brother-In-Law of Assassinated President.

By American Press.

Seattle, April 16.—"That's all humbug," said Colonel Perez Romero, a brother of Mrs. Francisco Madero, widow of the late president of Mexico, when shown a copy of the statement issued by General Victoriano Huerta, disregarding the question of who actually shot President Madero.

"The fact remains," said Colonel Romero, that General Huerta was in power and could command an armed force. President Madero was his prisoner, and while in his power was assassinated. How Huerta can attempt to elude responsibility for his death is inconceivable."

16,000 CARPENTERS STRIKE

Hundred Thousand Chicagoans Idle as Result of Walkout—Wanted Wage Increase.

By American Press.

Chicago, April 16.—Work was practically tied up in building operations valued at thirty million dollars here today when 100,000 men were thrown out of employment as the result of a strike of 16,000 union carpenters, which went into effect last night.

The strike was ordered by union leaders after demands for an increase in wages from 65 to 75 cents an hour had been refused.

C. H. BUTHERUS DIES AT NOON.

Death Comes After Long Illness—Funeral at Family Home Sunday.

Christian H. Butherus, 60 years old, died at 11:30 o'clock this morning at the family home, 1221 Lawn avenue. Mr. Butherus had been a sufferer with Bright's disease for several years and had been failing in health steadily since last spring. He had made his home in Maryville for nearly forty years, and during this time had been engaged in the tailoring business.

He is survived by a wife and five children. The children are Frank of St. Louis, William of Atchison, Kan.; Roy of Springfield, Ill.; Albert and Amelia, living at home.

Mr. Butherus was born in the town of Sarataw, Russia, December 10, 1855. He was educated in his native town, being reared on a farm till fifteen years of age, when he began to learn the tailor's trade, serving as an apprentice four and a half years. In 1876 he came to America and located at Burlington, Ia., where he worked at his trade for five months, then to Red Oak, Ia., where he continued his chosen calling for two years and eight months, at the expiration of which time he came to Maryville, carrying on his present business up to a few months ago, when he took down sick. Mr. Butherus was married at Red Oak, August 20, 1877, to Miss Katie Meyer. She was born in the same town as himself and came to America in the year 1877.

Mr. Butherus was a member of Nodaway lodge, No. 470, A. F. and A. M.; Owens chapter, No. 96, and Maryville commandery, No. 40, who will have a part in the funeral services.

The funeral services will be held at the home at 2:30 o'clock Sunday afternoon, conducted by the Rev. S. D. Harkness, pastor of the First Presbyterian church. The body will lie in state between the hours of 10 and 2 o'clock Sunday.

Masons, Attention!

A special communication of Nodaway lodge, No. 470, A. F. and A. M. will be held Sunday, April 18th, 1915, at 1:30 o'clock, for the purpose of attending the funeral of our late brother, Chris Butherus. All Masons are requested to be present. ROY COLLINS, W. M.

CHRISTIANS PLAN TWO-DAYS RALLY

GOSPEL TEAM SUNDAY AND COUNTY MEET MONDAY.

IOWA BIBLE WORKERS WILL MAKE ADDRESSES

"Billy" Davison's Quintet Will Arrive Tomorrow for Day's Visit—Then Comes "Every Member" Canvass.

Two important meetings are to be held at the First Christian church in this city, Sunday and Monday.

Sunday the "Billy" Davison Gospel team will conduct an all-day service, and the people in charge of the day's plans anticipate one of the largest meetings ever held in the church.

Monday will be a central rally day and an every member canvass service for all the Christian churches in the county will be held at the Maryville church. This service will begin with a luncheon at noon in the Christian Endeavor rooms of the church.

This luncheon will be attended by the official board of the church, a representative from each of the twenty Christian churches in the county and many others.

At the afternoon meeting, which will be the only one of the day, there will be three addresses made. The speakers will be the Rev. C. M. Chilton of St. Joseph, formerly pastor of the Maryville church; Bert Wilson of Kansas City, secretary of the Foreign Christian Missionary society, and C. A. Lowe of Camden Point, district secretary.

A similar meeting to the one held in this city will be held simultaneously in each of the twenty-three counties in the district.

The "Billy" Davison Gospel team will arrive in Maryville early Sunday morning from Des Moines, Ia. This team is composed of five business men, all residents of Des Moines except one, Robert Garland, who travels out of Waterloo, Ia. In order to keep this date these men will travel all night Saturday and leave Sunday night to be at their places of business Monday morning.

The personnel of the team is William Davison, Dwight Lewis, Guy Williams, Robert Garland and a singer, Paul Wells, baritone soloist of Central church, Des Moines.

It is probable that these men will visit the various churches of the city at the morning services. In the afternoon a special meeting for men will be held at 2.30 o'clock. A song service will be conducted under the direction of Mr. Wells, and a double quartet will sing at this meeting.

The meeting will be attended by people from all over the county as a special invitation, to which many have responded, was issued to all men's organizations. Word was received from Newton Long of Sheridan, that he would head a large delegation from his town, and many other similar messages have been sent into the church pastor, the Rev. Robert L. Finch.

The team will also be in charge of the evening service to be held at the church at 8 o'clock.

CHANGE AT CONSERVATORY.

Will Be Employed as Secretary in the Place of Miss Sturm.

Miss Marie Reuillard will begin work Monday as bookkeeper and secretary for the Landon Music company in the place of Miss Grace Sturm, who ceases her work there Saturday. Miss Sturm will leave in a short time for Springfield to spend several weeks with Miss Helen Wray.

Hale Family to Return.

The Rev. Lewis M. Hale, who has been conducting a meeting at the Patee Park Baptist church, will return to Maryville Saturday noon. He will be accompanied by Mrs. Hale and daughter, who have been visiting with Mrs. Hale's parents in Oklahoma.

C. E. Boring of Quitman, was in Maryville today.

Maryville people are taking to the clean-up idea so enthusiastically that it looks like the place that is not cleaned up will be the most conspicuous thing in town. Dirty places will be so rare that everybody will want to know who they belong to and all about it.

It is both interesting and refreshing to be told by such disinterested observers as Senator Boise Penrose and the Republican national committeemen of the various states, including Missouri, that the voters are tired of the Democrats and are turning to the Republicans. The judgment of calm and unprejudiced observers is always welcome.—St. Louis Star.

Billy Sunday, the great evangelist, speaking a few evenings ago on the "Newspaper and Its Influence for Good or Evil," said: "If every newspaper in the country were suppressed, crime would increase 100 per cent in twenty-four hours and all hell would hold a jubilee." Publicity is the greatest enemy of crime, and restrains both weak and strong men from following evil inclinations.

St. Louis is in the embarrassing position of having elected as president of its board of aldermen a man who has been indicted for selling worthless deeds of trust to widow women, and who, in fact, was compelled to write out his resignation before he was elected. It also develops that the chairman of the Republican city campaign committee knew in advance of these facts but allowed the people to elect an unfit man rather than endanger the balance of his ticket by taking this man off his ticket. He thereby saved his ticket, but he brought odium and suspicion upon his political associates and discredit upon himself. Parties, like men, must be honest with the people if they would continue to win.

Missouri River Packers Pay Higher Rate on Kansas Coal.

TESTIMONY GIVEN AT CHICAGO

Railroads Charge Packing Plants at Kansas City, St. Joseph, Omaha and Sioux City More Than Those at Other Points For Fuel Haulsr

Chicago, April 16.—Packing house plants on the Missouri river in view of distance and service rendered pay a higher freight rate on coal from the Kansas fields than do other points, according to testimony before the interstate commerce commission's hearing of the petition of the forty-one western railroads for increased freight rates. Witnesses said the proposed advance of 5 cents a ton on coal was unwarranted. The testimony touched slack coal chiefly.

Increases in freight rates from the Kansas coal fields to Kansas City, St. Joseph and South Omaha plants of Swift & Co., from 55 cents a ton in 1905 to 70 cents at the present rate were discussed by R. O'Hara, chief rate clerk of Swift & Co.

He declared that for similar distances Illinois coal was carried by the railroads to Chicago with average car mile earnings of 12.7 cents, while the car mile earnings from the Kansas field to Kansas City were 22.2 cents, to St. Joseph 18 cents and South Omaha 16.7 cents.

On cross-examination the witness said that density of traffic had not figured in his compilation.

Manker's Testimony.

W. W. Manker, assistant traffic manager of Armour & Co., testified along similar lines, his discussion including Sioux City, Ia., as well as the points covered by Mr. O'Hara. Mr. Manker said:

"The rates from Kansas and Missouri mines to Missouri river points are on a much higher basis than those from other coal fields and points similarly distant."

The specific contention that present coal rates from Illinois coal mines to Sioux City now yield a higher revenue per car than do other commodities was advanced by C. E. Childe, commissioner of the traffic bureau of the Sioux City Commercial club.

Mr. Childe reviewed statistics presented by a railroad witness on the average load of the principal commodities handled in Sioux City territory and said:

"The average car mile revenue of the commodities named by the witness for the railroad was less than 16 cents. Sioux City now pays 19.8 cents per car mile on its lump coal and over 16 cents on its steam coal."

HUERTA ISSUES STATEMENT

Declares He Had Nothing to Do With Madero's Death.

New York, April 16.—Vehemently asserting that he had nothing to do with the death of Francisco Madero, General Victoriano Huerta, former provisional president of Mexico, issued a signed statement setting forth his side of the Mexican question. General Huerta declared that he knew who was responsible for Madero's death, but that he was keeping it as "a professional secret."

General Huerta's statement concluded with the assertion that "my country can not be conquered." Sixteen millions of men, women and children would have to be killed before Mexico would submit to an invader, he asserted.

The heads of the Washington administration, he declared, had not been fair to Mexico.

M'ADOO ASKS THAT CASE BE POSTPONED

Test Powers of Treasury Officials In Riggs Bank Suit.

Washington, April 16.—Postponement of the hearing to a later date was asked by the defense when the injunction proceedings of the Riggs National bank against Secretary McAdoo and Comptroller of the Currency Williams were taken up in the District supreme court today.

Evidence clearly indicated that the fight already is assuming proportions far beyond the mere relations between this powerful Washington bank and the treasury officials. Bankers in all parts of the country are manifesting a keen interest in the proceedings.

The big question which is overshadowing all personal controversies between the Riggs bank officers and the treasury officials is that of the powers of the comptroller under the law. It is said that many national banks, particularly those in big cities in the east, have been chafing for months under the demands which have been made on them by Comptroller Williams for reports and information in regard to their affairs.

The power of the comptroller to make these demands has been questioned by many bankers, but the matter never has been passed on by the courts.

The proceedings begun by the Riggs bank officers, therefore, will test out this general question for the banks of the country and will determine to what extent officials at Washington shall be able to look into their affairs.

England Confesses Violation of Neutrality by Blowing Up Dresden.

London, April 16.—The British government offered "a full and ample apology" to the Chilean government for the sinking on March 14 in Chilean waters of the German cruiser Dresden, the internment of which had already been ordered by the maritime governor of Cumberland bay when the British squadron attacked and sank it.

This fact was made public in a white paper, giving the texts of the Chilean note protesting against the sinking of the Dresden and the British government's reply.

JURY NOT TO PASS ON SANITY OF THAW

New York, April 16.—Supreme Court Justice Newburger declined to consider the motions of lawyers for Harry K. Thaw that he be granted a jury trial to determine his sanity. He held that the writ in the case was returnable next Monday and should be entertained by the justice then sitting, who will be Justice Hendricks.

Justice Newburger interrupted the preliminary argument by John B. Stanchfield of Thaw's counsel to announce his decision. Mr. Stanchfield had at that time received the history of the Thaw case, which he argued constituted a "peculiarly fit case to warrant the court in calling upon a jury to aid his conscience in determining whether the defendant is sane."

Thaw and his mother were in court.

FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by druggists under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

Brassiere Beauty

MANY of the newest Warner Brassieres are so dainty in fabric and trimming that many women wear them as an extra bit of lingerie as well as to supplement the corset.

Warner's Brassieres

Are figure beautifiers, since they control and shape the bust, and are quite as helpful to the slender as the stout woman, or the woman of the average proportion.

THERE is a wide variety of Warner's Brassieres to meet your choice in style and price. There are plain, simple styles, that one may, if one wishes, decorate to personal liking; but the conceits of lace, ribbons and embroidery are most fancinating.

Masons Begin Work on Building Destroyed by Fire—Lincoln Bent to Construct.

Preliminary work has been begun on the Masonic building at Elmo in the way of moving out the debris of the late fire, and getting the ground ready for construction work, which will begin soon.

The contract has been let to Lincoln Bent of Maryville, who will complete the building, including a modern front, arrange the partitions for the offices, and the lodge room, on the second floor, and paint it.

The Masons expect to build as good or better building than the one that was destroyed by fire.

Drudgery

Humans was never intended to spend the greater portion of their lives in the drudgery of labor or labor saving devices would not have been invented and come into general use. Electricity is one of the greatest boon in relieving both man and woman of much of such wasted labor. Wasted in the sense that they could better be employed in some of the larger duties of life.

Why waste hours in sweeping and dusting when a vacuum cleaner will do the work in minutes at small expense?

Why iron by obsolete methods when an electric iron can accomplish the same work in half the time?

Why cook over a hot range or odorous gasoline stove when electricity can do the work at small cost and with twice the ease and comfort?

FRENCH REMEDY AIDS STOMACH SUFFERERS

France has been called the nation without stomach troubles. The French have for generations used a simple mixture of vegetable oils that relieve stomach and intestinal ailments and keep the bowels free from foul, poisonous matter. The stomach is left to perform its functions normally. Indigestion and gastritis vanish.

Mr. Geo. H. Mayr, a leading druggist of Chicago, cured himself with this remedy in a short time. The demand is so great that he imports these oils from France and compounds them under the name of Mayr's Wonderful Remedy. People everywhere write and testify to the marvelous relief they have received using this remedy—one dose will rid the body of poisonous accretions that have accumulated for years and convince the most chronic sufferer from stomach, liver or intestinal troubles.

Mayr's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if one bottle fails to give you absolute satisfaction.

Something New in Town From "The Land of the Long Leaf Pine"

An "Outside" Treatment That Relieves Croup and Cold Troubles Quicker Than Internal Medicines—Applied Externally, It Is Inhaled as a Vapor and Absorbed Through the Skin.

Druggists Below Are Selling 25c Jars on 30-Days' Trial—Money Back if Not Delighted.

Every year thousands of people, suffering from forms of lung trouble, make a pilgrimage to the pine barrens of North Carolina, "the land of the long leaf pine." The reason lies in the warm dry air, spicy with the odor of the long leaf pines.

Local druggists, however, have recently received a treatment that is almost as good as a trip South. This is Vick's "Vap-O-Rub" Salve, the invention of a North Carolina druggist. When applied over the throat and chest the body heat releases vapors of Menthol, Camphor, Pine Oil, Thyme, and Eucalyptus, that are inhaled with each breath through the air passages to the lungs, loosening the phlegm, and soothing the inflamed membrane. In severe cases, first apply hot wet towels to open the pores. Vick's is then absorbed through the skin, taking out that tightness and soreness.

The progressive druggists, listed below, are anxious that their customers who are troubled with asthma, catarrh, bronchitis, tonsilitis, or any form of cold trouble, should try this new treatment, though their profit on Vick's is smaller than on internal medicines. They are, therefore, offering Vick's in three sizes, 25c, 50c or $1.00, on 30 days' trial, giving with each sale a refund blank, good for your money back if you are not delighted.

CATCH YOUNG FOXES.

Burlington Junction Men Find Animals in Hollow Log—Mother Escapes.

While hunting in the woods on the L. O. Staples farm, southwest of Burlington Junction, this week Edward Merritt and Fred and Vern Dolph caught four young red foxes. The men were sitting on a large log, when the old fox dashed out of it and ran for cover. They fired at the animal but failed to hit her. They then turned their attention to the hollow log. They split the log and found four little foxes. They took them home and will endeavor to raise them.

POULTRY INDUSTRY THRIVING.

Burlington Farmers Market Eggs by Wholesale—Firm Buys 1,200 Dozen.

Poultry and eggs are really becoming a profitable business on some of the farms of Nodaway county, judging from the amount of produce bought and shipped by merchants and commission men, says the Burlington Junction Post. Dutch Gray, who lives on route 2 out of Burlington Junction, brought 101 dozen eggs to the Zarn store, and Amos Hayes, another farmer on route 2, went his neighbor one better by bringing 112 dozen to the same store. These eggs were all gathered in a week. John Discus, who lives on the William Staples farm, west of town, brings from 75 to 100 dozen to the store each week. The Zarn company bought 1,200 dozen Saturday and 75 cases in four days.

RESOLUTION NO. VIII.

A Resolution providing for the grading, paving, guttering and curbing of certain streets in the City of Maryville, Missouri, as follows:

Be It Resolved that it is deemed necessary by the Board of Aldermen of the City of Maryville, Missouri, that Normal avenue, Grand avenue and Third street in said city that Normal avenue, Grand avenue and Third street in said city from the West end of the paving on Normal avenue, thence west to the West line of Grand avenue; from the South line of said proposed paving on Normal avenue, thence south on Grand avenue to the South line of Third street; and from the East line of the proposed paving on Grand avenue, thence east on Third street to the West end of the paving at Third and Frederick streets in said city shall be graded, paved guttered and curbed twenty-four feet in width from the West end of the paving on Normal avenue, thence west to the West line of Grand avenue; that said paving shall be twenty-four feet in width from the West end of the paving on Normal avenue, thence west to the West line of Grand avenue; that said paving shall be twenty-four feet in width from the South line of the proposed paving at the intersection of Normal and Grand avenues, thence south on Grand avenue to the South line of Third street; that said paving shall be twenty-seven feet in width from the East line of the proopsed paving at the intersection of Grand avenue and Third street, thence east on Third street to the East line of Ray avenue and from thence east to the West end of the paving at the intersection of Third and Frederick streets said paving shall be twenty-four feet wide, the center line of said streets to be the center line of said grading, paving, guttering and curbing, said streets to be graded as aforesaid and brought to the established grade therefor as provided by Ordinance No. 288 of said city, and in addition thereto said streets between the points aforesaid shall be excavated sufficient to pave said streets as herein provided on said grade and said streets between the points aforesaid, for the widths aforesaid, shall be paved with bituminous concrete, not less than two nor more than three inches in thickness, laid on a five-inch foundation of Portland cement concrete and curbed with six-inch gutters with cement curbing six inches thick and eighteen inches deep and not less than eight nor more than sixteen feet in length, with cut joints, which curbing shall be set out into the street beyond the sidewalk, (except that curbing being already in place from the East line of Grand avenue to the West line of Ray avenue no curbing shall be required to be built between these points) provided that the streets improved shall be on each side thereof where the same abut on a cross alley graded and paved an additional width of three feet and which additional grading and paving shall be twelve feet in length across all intersected alleys; and provided further that the streets improved shall be on each side thereof where the same abut on a cross street graded and paved to the property line and be twenty-four feet in length in the center of all intersected streets, and the curbing across intersected alleys and the twenty-four feet of the middle portion of intersected streets shall be Cypress headers.

It appearing and the Board of Aldermen of said city having this day by ordinance duly passed and approved found that the general revenue fund of said City of Maryville is not in condition to warrant an expenditure therefrom necessary to pay the cost of bringing the before described streets to the established grade, as aforesaid, shall be included in the special assessment for paving, guttering and curbing said streets, and the cost of all excavating and grading herein, including the cost of bringing said streets to the established grade aforesaid, and the cost of all paving, guttering and curbing, as aforesaid, shall be levied as a special assessment upon all the lots and pieces of ground upon either side of said streets abutting thereon and liable therefor along the distance improved in proportion to the front foot.

Be It Further resolved that this resolution be published for two consecutive weeks in the Daily Democrat-Forum, a newspaper published daily in the City of Maryville, Missouri.

Passed and approved this seventh day of April, 1915.

U. S. WRIGHT,
Mayor.

C. W. BENNETT, City Clerk.

SUFFERED 15 YEARS, CURED IN 21 DAYS

Astounding Cures Made by This Remarkable New Discovery.

Gentlemen: For over fifteen years I was afflicted with eczema, covering my arms, legs and face. I suffered so much distress that I could not sleep. My face was red and swollen, and covered with dry, feverish scales. I was unable to attend to business for weeks at a time.

I had about given up all hope when I tried your remedy, Amolox. The first application gave me relief so I could sleep. After applying it for several days I was able to attend to business. After thirty days' treatment my eczema entirely disappeared.—James R. Rigby, Youngstown, O.

Amolox is the prescription of a physician who used it with wonderful success in his private practice. Now, for the first time, offered for sale by the leading druggists.

Amolox Ointment will quickly banish pimples on the face, blackheads, and all minor skin troubles. Chronic cases of Psoriasis, Salt Rheum, Tetter, that have suffered for years, require both the Ointment and Solution to effect a cure. Trial size, 50c. Guaranteed and recommended by the Orear-Henry Drug Co.

ZEPPELINS AGAIN RAID ENGLAND

East Coast Towns Are Scene of Bomb Attacks.

CONSIDERABLE DAMAGE DONE.

Woman Injured, Horses Killed, Windows of Houses Broken and Lumber Yard Fired—Maldon, Lowestoft and Southwold Among Places Visited.

WAR SUMMARY

Again the allies have assumed the offensive on the western line of battle and, according to Paris, have made gains in Terrain, capturing officers and men and guns and repulsed German counter attacks.

While there has been somewhat of a letup in the viciousness of the Russian attempt to get its armies through the Carpathians and out on the plains of Hungary, hard fighting continues in some sectors.

Both Petrograd and Vienna assert that all attacks against their respective forces were repulsed.

Two Zeppelins raided the east coast of England again, doing considerable damage to property by bombs.

In the eight months of fighting from August to April 11 the total casualties among the British forces were 139,347 men.

London, April 16.—Two Zeppelin airships visited the east coast of England shortly after midnight, dropping bombs on several towns and doing considerable damage to property. As far as has been ascertained, only one person, a woman, was injured. It is said she was only slightly hurt.

The airships dropped a dozen bombs on Maldon, in Essex county, thirty miles east of London, but no damage resulted. Bombs also were dropped in the Heybridge basin, two miles across the river. These set fire to some buildings.

The airships came up the Blackwater river and over the marches and circled.

At Lowestoft, on the North sea, in Suffolk county, three bombs were dropped, considerable damage resulting to house property in the center of the town. A lumber yard was set on fire. The window panes in many houses were shattered.

Previously the aircraft had visited Southwold, twelve miles south of Lowestoft, and having missed striking that town with its missiles went on to Halesworth, eight miles inland. It then returned again to Southwold and dropped six bombs.

BRITONS RUSH TO BUY WHISKY

Stock Up Before Anticipated Prohibition Action by Government.

London, April 16.—The rush to buy whisky in consequence of the government's anticipated action of prohibiting its sale during the war, threatens a dearth of the beverage long before the government puts its action in force.

The withdrawals of whisky from bond have been enormous. The distillers excuse themselves by saying it is entirely due to a panic among the buying public, which resembles the panic in food and the hoarding of foodstuffs after the outbreak of the war.

Retailers say they have the greatest difficulty in getting supplies. There are ample stocks in the country, but the wholesalers are unable to deliver consignments owing to the congestion of the railways.

FLOODS IN ARIZONA

Torrents From Melting Snows Overwhelm Great Dams.

Holbrook, Ariz., April 16.—Torrents from the melting snows of the White mountains overwhelmed two reservoir dams on the Little Colorado river near St. Johns, drowned eight persons, damaged property to the extent of about $500,000 and left more than 30,000 acres of an irrigation project to the mercies of dry farming until new dams are built.

Farmer Taken to Woods and Thrashed

Somerset, Pa., April 16.—A party of men took George Berndt, a well-to-do farmer of Lincoln township, from the residence of his father near here, led him into a dense forest and thrashed him with thorn switches. The leader of the party, which numbered about forty, told Berndt that the punishment was administered because it was charged he did not provide for his wife and five children. Berndt sought warrants for the arrest of the men, many of whom were said to be leading residents of Lincoln township.

Funeral of Colonel Nelson.

Kansas City, April 16.—Only one edition of the Kansas City Star, the noon edition, was published today, out of respect for the memory of William R. Nelson, editor and owner, whose funeral was held this afternoon. Business houses throughout the city suspended business during the funeral hour.

New York Murder Mystery.

New York, April 16.—Mystery surrounding the murder of a young woman, whose body was found in the Bronx Saturday, deepened when the identification of the body as that of Miss Claudia Hansbury of Troy was contradicted. A message from Troy said Miss Hansbury was at home

Obituary.

Laura Miller was born in Burlington Junction, March 29, 1888. On February 1, 1906, she was married to Raymond Houghtaling of Bolckow. To this union were born three sons, Perry, now 7 years old; Don, aged 5, and an infant born Friday, April 2. After an illness of about two weeks, during which she suffered intensely, she passed away in death at 5:15 Monday afternoon, April 5, aged 27 years and 7 days. She leaves to mourn her untimely death her husband, father and mother, one brother and four sisters, besides the three little boys who can never know a mother's care. She was a member of the Bolckow chapter, Order of the Eastern Star. The funeral services were held at the Christian church at Bolckow at 11 o'clock, Wednesday morning, April 7, conducted by the Rev. W. A. Chapman.

MEN CHANGE STYLES, TOO.

Woman Not Alone in Clothes Parade—Some of the New Things for Males.

Man is coming into his own this spring in the way of clothes attractiveness and is vieing with the feminine species of the human animal for honors in the clothes parades.

An angle of men's clothing for spring is the quantities of imported fabrics being shown. The struggle over seas doesn't seem to have affected the fabrics up to now. Glen Urquharts and Tartans are among the favorites, although the stripes are holding on strongly.

In cut the tendency is toward broad lapels, form fitting backs and straight hung trousers and away from padded and stiff fronted coats.

One standard suit style that is very popular with young men has a thirty-inch coat with a soft front. The back fits in at the waist and has a vent. Of the three buttons the top one is to be left open to allow proper roll to the broad, notched lapels. The waistcoat has either a roll collar or none at all, and has five buttons. The trousers are medium English effect, hanging in straight lines and having a narrow cuff.

Hats offer a wide variety; stiff and soft. In the soft hats a medium crown with a rolled brim seems a little ahead in popularity, particularly among the younger men.

Diagonal stripes, some of them quite wide, seem to have the call in the early showings of spring neckwear. A large number of bows, in mixed colors, are being shown.

Everything in shirts seems to incline toward plain, soft effects; few tucks or plaits are shown. It looks like a big season on silks and flannels. In colorings there is an immense variety with new and odd patterns and color combinations.

This season's shoes show flat soles, in a rather narrow effect and low flat heels. The cloth top is gaining in favor.
